

SWOSU-Sayre Student Wins Scholarship at OSRTRS Seminar

04.17.2009

SWOSU-Sayre Radiologic Technology Program Director Chris Stufflebean and Joe Robinson of Boise City attended the 63rd Oklahoma Society of Radiologic Technologists Radiological Sciences annual seminar held recently in Oklahoma City.

SWOSU-Sayre student Kenneth Aldaz of Elk City received a \$200 scholarship at the recent 63rd Oklahoma Society of Radiologic Technologists Radiological Sciences annual seminar held in Oklahoma City.

SWOSU-Sayre Radiologic Technology Program Director Chris Stufflebean and Stevi Brown of Weatherford attended the 63rd Oklahoma Society of Radiologic Technologists Radiological Sciences annual seminar held recently in Oklahoma City.

SWOSU-Sayre student Kenneth Aldaz of Elk City received a \$200 scholarship at the recent 63rd Oklahoma Society of Radiologic Technologists Radiological Sciences annual seminar held in Oklahoma City.

The scholarship was awarded based on an application submitted prior to the convention.

Other students in SWOSU at Sayre's radiologic technology program also attended the two-day event. The students were accompanied by program director Chris Stufflebean and clinical coordinator Jess Parker.

On the first day of the event, selected SWOSU-Sayre students competed with teams of students from across the state in a Jeopardy-style competition called "Wilhelm's Trivia."

SWOSU-Sayre students Joe Robinson of Boise City and Stevi Brown of Weatherford competed with the 3rd and 4th place teams, respectively.

On the convention's second day, students attended educational seminars and an awards banquet luncheon.
